SUPPLEMENTAL DISCLOSURE STATEMENT

In compliance with 37 CFR 1.56 and guided by 37 CFR 1.97 - 1.99, applicant(s) respectfully submit the following information including copies of the documents listed on the attached form.

REMARKS

Attached hereto is a Hungarian Search Report, together with the references cited therein that were prior art references not previously cited to the USPTO. These references were previously cited to the U.S. Patent Office in a Supplemental Disclosure Statement filed on 19 August 2002, a copy of which is attached. That submission was a bona fide attempt to comply with the requirements of the code sections relating to filing of Information Disclosure Statements, although the exact words of 37 CFR 1.37(e) were inadvertently omitted. Applicant thanks the Examiner for allowing additional time to enable full compliance with the requirements thereof in accordance with 37 CFR 1.97(f). Applicant states, in accordance with 37 CFR 1.97(e)(1), that each item of information contained in this information disclosure statement was first cited in a 7 June 2002 communication from our Hungarian patent attorneys, received by our European representative on 14 June, 2002, dates that were less than three months prior to the August 19 2002 initial filing date of the Information Disclosure Statement, and that thus the references cited herein should be considered as provided for under 37 CFR 1.97(c).

The fees set forth in 37 CFR 1.17(p), and any additional charges or fees due under 37 CFR 1.16, 1.17 and 1.21 or other provisions as a result of filing the present paper are authorized to be charged against Deposit Account 04-0525. Two duplicate copies of this page are enclosed.
